de Silva noted statements pertaining to Vietnam policy attributed to him by Marvin Kalb on the CBS radio news summary today. Kalb's comments implied that de Silva had issued some sort of public statement. This is not the case. It apparently was based upon an unclassified think-piece done some time ago by de Silva. The think-piece is available within the American Embassy in Saigon and was picked up by George Lodge and made part of a book prepared by George Lodge.

Houston noted Senator Dirksen's statement yesterday that the issue of the McCarthy resolution is in "suspended animation" following a meeting with the President.

Houston noted that Senator Fannin of Arizona will be here tomorrow for a breakfast session.

Houston and DD/P reported that a considerable effort is and has been under way to continue the investigation of [redacted] 25X1 25X1

DD/P reported that he had met with Governor Harriman yesterday to discuss USIA Director Marks' recent proposal for establishment of a committee to look into psychological matters. DCI noted that Marks had raised this issue with him following the SIG meeting yesterday.

DDCI reported briefly on his appearance yesterday at the Naval War College, where he made an address.

DCI reiterated his concern over charges that he refused to brief the Fulbright committee. The fact is that he offered an intelligence briefing on some forty-four countries but refused to brief on intelligence sources and methods.
